Welcome to the Dauch College of Business and Economics Internship/Work-Experience web page.

Purpose of the page is to:

- Explain the BSBA graduation requirement of internship or work experience
- Provide knowledge and resources for getting academic credit for internship or work experience
- Provide contact information for any additional information or assistance

The secondary purpose of the page is to inform visitors about:

- The Dauch College’s Internship/Work Experience Program
- The quality of business interns & their employers
- Possible avenues for finding internship or work

Contact: Dr. Khush Pittenger, Ph.D., Academic Internship Advisor, if you need any additional information or assistance. Her contact information is: kpitten@ashland.edu; 419-289-5219 (Work phone), 204 Dauch Building (office Location)

Start with frequently asked questions to:

- Learn to whom the requirement applies
- Determine student qualification for internship
- Understand the difference between internship and work-experience requirement & to
- Understand the process for getting credit/meeting the requirement
