

"Most heroines are entirely passive, submissive & helpless."  
~Marcia K. Lieberman

## Talking with your Students:

- \*Talk to students about what they might do in princesses' positions (role play).
- \*Talk to students about role reversals of characters.
- \*Look for books with multicultural illustrations, and active princesses.
- \*Examine similar tale types.
- \*Expand your collection to include rare/unknown fairy tales that reflect more positive roles for the princesses both in the language and art
