  - Raising of Lazarus - “I am the resurrection and the life.”
### Introduction
- Various explanations for differences between John and Synoptics.
  - Bultmann et al. explained it as 2nd century Hellenistic work influenced by Gnosticism.
    - Discredited view.
    - Early MS of John fragment from AD 125.
    - Dead Sea Scrolls have dualistic imagery.
    - See John in context of Jewish apocalyptic.
- Probably used an independent tradition.

### Introduction
- John was thought to be more “theological” than Synoptics - false dichotomy.
- John makes explicit what is implicit in Synoptics.
  - More direct claims by Jesus and recognition by disciples (8:58; 20:28; 17:3).
  - Private teaching? Post-Pentecost perspective?

### Johannine Dualism
- What kinds of dualism are in this Gospel?
  - Vertical dualism (heaven and earth, spirit and flesh)
  - Ethical dualism (good/evil, light/dark)
  - Eschatological dualism (this age/age to come)
  - Not metaphysical dualism (two equal and opposite eternal principles) as in Gnosticism

### Johannine Dualism
- Heaven and earth
  - “You are from below, I am from above” (8:23).
  - Conflicting origins, perspectives, values.
  - Jesus is the one who came from heaven and is returning to heaven (1:14; 6:38, 62; 13:1, 3).
  - Jesus has come from the Father.
  - If you don’t know where Jesus has come from, you don’t know who he is (9:29-33).
  - He returns by way of the cross (“lifted up”).

### Johannine Dualism
- Flesh and spirit
  - Related to earthly vs. heavenly - purely human vs. supernatural.
  - Born of the flesh vs. born of the Spirit (3:6).
  - You must be born from above to enter kingdom (3:3).
  - Spirit gives life; flesh is useless (6:63).

### Johannine Dualism
- Light and darkness (ethical dualism)
  - Good/evil; revelation/lack of understanding
  - Jesus is the light of the world.
  - Darkness of world (evil, rejection of God’s revelation) is in opposition to the light (1:5).
  - Theme climaxes in chapter 9 (man born blind).
Johannine Dualism

- What does “the world” mean in John?
  - Sometimes creation (17:5; 11:9)
  - Sometimes human society (3:16; 12:19; 18:20)
  - Characteristic use: human society organized in opposition to God (believers vs. the world)
- Both ethical and eschatological dualism.
  - Good/evil
  - This world (kosmos) = this present age

Johannine Dualism

- Not Greek dualism of matter/spirit.
  - Creation is good, made by God through Logos (1:3).
  - God loves world; sent his Son for it (3:16-17).
  - World is evil because it has turned from its creator; ruled by devil (12:31; 14:30; 16:11; 1 John 5:19).
  - World doesn’t know God (17:25) or Christ (1:10).

Johannine Dualism

- Believers vs. the world
  - Disciples aren’t of the world because Jesus has chosen them out of the world (17:6).
  - Believers are from God; adversaries are from the world (1 John 4:5-6).
  - Disciples sent into the world (17:11, 15, 18).
  - Expect conflict with the world (17:14).
  - Don’t love the world (1 John 2:15-17).
  - Jesus has overcome the world (16:33; 1 Jn. 4:4).

Johannine Dualism

- To what extent is this imagery of believers vs. the world a case of “us” vs. “them”?

Johannine Dualism

- Implications of believers/world dualism?
  - Question of “the Jews” (see Matera).

- God vs. Satan
  - People are from God or from Satan (8:47).
  - Satan is ruler of world (12:31; 14:30; 16:11).
  - Satan opposes truth and light (1:17; 8:39ff).
  - Spiritual warfare in different terms from Synoptics.
Johannine Dualism

- Eschatological dualism
  - Jesus’ “hour” = salvation history idea (4:23; 5:25)
  - Eternal life is already/not yet (3:36).
  - Theme of replacement of old covenant.
  - Conflict between God and Satan.
  - Combination of vertical and eschatological.
  - King exists in heaven, enters history in Jesus; his presence partially realized now in Holy Spirit, fully realized when he returns (1 John 3:1-3).

Johannine Christology

- Uses Christ or Messiah, generally as title.
  - At feeding of 5,000, crowd wants to make him king by force (6:15).
  - His kingdom is not of this world (18:36).
- Calls Jesus Son of Man, but drawing on distinctive tradition.
  - Doesn’t fit threefold classification of Synoptics.
  - One who came from heaven and returns to heaven (3:13; 6:38, 62).

Johannine Christology

- Logos Christology - distinctive to John.
  - Not used by Jesus of himself.
  - Used by narrator to explain who Jesus was.
  - Found in prologue, 1 John 1:1; Rev. 19:13.
- Term well known to Jews and Greeks.
  - Stoics - rational principle in creation & people.
  - Powerful, creative word of God (Gen. 1:3).
  - Wisdom (Pr. 8:22-31, Wisdom of Solomon).
  - Incarnation would be a scandal (1:14).

Johannine Christology

- What is said about the Logos in John 1?
  - Term “logos” not in rest of Gospel.
    - But themes are fully integrated.
    - Whole Gospel makes “V” pattern like Christological hymns.
  - Incarnation is emphasized (1:14; 1 John 1:1; 4:1-3).
    - Counters any view of John as Greek dualism.
    - May have been written to combat docetism.
Johannine Christology

- Jesus is the Son sent by the Father (3:16, 17, 34).
  - Jesus is God’s agent or representative.
  - Jewish concept of *shaliach*: “A man’s agent is as himself” (Babylonian Talmud).
  - “Whoever has seen me has seen the Father” (14:9).
  - “He who receives me receives the One who sent me” (13:20).

Chain of agency in the Fourth Gospel:

Father ➔ Jesus (3:16) ➔ Holy Spirit (15:26) ➔ Disciples (20:21)

Johannine Christology

- As God’s agent, Jesus has a mission to give life to humanity.
  - Father has granted him to have life in himself, and he grants this life to whomever he chooses (5:21, 26).
  - Gives eternal life to those who believe (5:24).
  - He is the resurrection and the life (11:25).
  - No one can come to the Father except through him (14:6).

He gives eternal life through his death.

  - Theme of his “hour” emphasizes his death.
  - His glorification = his death.
  - Dies for salvation of everyone, but not everyone will benefit.
  - His death is intentional and voluntary.
  - He is the Lamb of God.

Johannine Christology

- His Sonship mediates relationship with God.
  - Mediates knowledge of Father (6:47; 10:15).
  - Mediates union with Father (10:38; 14:10-11; 17:21, 23).

- His Sonship shows his divinity.
  - John 1:18 seems to call him God.
  - He says his words and deeds are those of God himself.
  - Says people should honor him as they honor God.
  - Claims oneness with God.
  - “I am” sayings, esp. 8:58 (Abraham).
Johannine Christology

• Yet Jesus always distinguishes himself from the Father.
• He is functionally subordinate to the Father.
  – Absolute dependence on the Father, submission to the Father’s will.
  – Does nothing on his own (5:19; 8:28-29).
  – Obeys the Father (15:10).
  – “The Father is greater than I” (14:28).
  – Sent by the Father.

• Jesus is also fully human.
  – Emphasis on the incarnation.
  – Experiences human joys, griefs, needs, sufferings.
  – In 8:40, calls himself a man.
• Other titles in John:
  – Lamb of God; Savior of the world
  – Monogenes; God

Eternal Life in John

• What is eternal life (zoe aionios) in John?
  – In rabbinic Judaism and Synoptics, eternal life is future inheritance in the age to come.
  – In John, sometimes future (5:39).
  – Emphasis is on present (3:36a, 1 John 5:11-13).
  – This led C. H. Dodd to realized eschatology.
  – Present and future (3:36); cf. 12:25.

• Eternal life = an eschatological blessing partly experienced by believers in present.
  – Associated with kingdom of God.
  – Jesus has resurrection authority from God.
  – Jesus distinguishes between present spiritual life and future resurrection life (5:25, 28-29).
  – Those who receive spiritual life now will receive resurrection life later (6:40).
  – Eschatological judgment taking place in present, in people’s response to Jesus (3:18).

• How do you receive eternal life?
  – Believe in Jesus; receive him (1:12).
  – Believing is central theme in John.
  – Faith is both believing that and believing in(to) Jesus (suggestion of personal trust).
  – Be born from above, born of the Spirit (3:3, 5).
**Eternal Life in John**

- Belief is related to Jesus’ signs.
  - Signs are evidence that Jesus is sent by God.
  - But they are ambiguous.
  - They force people to choose for or against him.
  - “Blessed are those who have not seen and yet have come to believe” (20:29).
- Jesus’ glory (starts with cross): post-exaltation perspective; God as self-giving love.

**Eternal Life in John**

- Obedience is integral part of belief (3:19-20; 36).
- Belief includes abiding in Christ and in his word (personal fellowship that includes love and obedience).
- Christian life summed up as love.
- What elements of John’s soteriology do you think would be helpful for the church today?

**Holy Spirit in John**

- Spirit is active in Jesus’ ministry (1:32-33).
- Spirit’s work critical in salvation (3:5-8).
- Spirit cannot be given until Jesus is glorified (7:39).
- Jesus will send Spirit to disciples (16:7).
- Jesus breathes on disciples and says, “Receive the Holy Spirit” (20:22).

**Holy Spirit in John**

- Holy Spirit is a *parakletos* (Paraclete).
  - Means advocate or counselor.
  - Used of Jesus in 1 John 2:1 (our advocate in heaven).
  - Another Paraclete of the same kind as Jesus (14:16).
  - Neuter *pneuma* (Spirit) used with masculine pronouns in 14:26; 15:26; 16:13, suggesting personhood.
